**NOTICE REGARDING COURT EMPLOYEES DISPENSING LEGAL ADVICE**

By law, Court employees are not allowed to give legal advice. They do not have law licenses and could be prosecuted for practicing law without a license. **Court employees cannot tell you if the content of your filing is adequate or will satisfy legal requirements.**

You may consult with an attorney, Legal Aid, or the Lake County Bar Association lawyer referral service for legal advice. Their phone numbers are:

Legal Aid Society of Cleveland: (440) 352-6200  
Lake County Bar Association: (440) 350-5800

If a Court employee does not answer your question, it is not because he or she does not want to be helpful. Instead, the employee is following Ohio law, which forbids her or him from offering legal advice.

Thank you for your understanding in this matter.
